MINUTES
WEST CHARLOTTE STORMWATER UTILITY
MUNICIPAL SERVICE BENEFIT UNIT (MSBU)

ADVISORY BOARD REGULAR MEETING
WEDNESDAY, JULY 24, 2024

9:37 a.m. – 11:00 a.m.
Mac V. Horton West County Annex, Room 120
6868 San Casa Drive, Englewood, FL

Members Present:	Hank Killion, Vice Chair
	John House
	Geoffrey Norton
Members Absent:	Benjamin Sinclair, Chair
	Mario Audia
County Staff:	Lorraine Moneypenny, Community Liaison
	Brandon Moody, Water Quality Manager
Guests:	Sign-in sheet attached

Call to Order / Roll Call:
The Vice Chair called the meeting to order at 9:37 a.m. A roll call was taken. A quorum was present.

Changes to the Agenda / Motion to Approve Changes:
None

Citizen Input on Agenda Items (3 Minute Limit):
None

Approval of Minutes:
The minutes of March 13, 2024 were unanimously approved as submitted.

Unfinished Business:
The community liaison announced progress on two projects of interest to the Board. Hurricane debris removal in Oyster Creek is in process. Fish gates are installed in Rotonda; grass carp will likely be introduced in September or October.

a. Water Quality Monitoring Program: Mr. Moody announced One Charlotte One Water will be presented to the Board of County Commissioners in October. His department is investigating technologies for efficiency: an elevation monitor at South Gulf Cove lock, a water quality barometer dashboard, tide flaps and instruments to distinguish salt from fresh water. A new position will cover vulnerability assessments, resilience, grants and public communication. Interns will soon be measuring muck in canals in preparation for the sediment removal program budgeted for FY26. Mr. Moody cautioned that muck is unevenly distributed and doesn't always contribute to poor water quality. The Florida Department of Environmental Protection (FDEP) has reviewed Charlotte County's plan for muck removal and determined it does not qualify for credits without a plan to prevent inflows from forming more muck. There is no such plan. At Mr. House's request, Mr. Moody described sampling methodology.

New Business:

a. Financial Reports: The FY24 third quarter fund financial report and March – June maintenance reports were reviewed. Mr. Norton questioned the encumbrance of $23,000 for canal sediment removal, and the budget line of $5,000 for the South Gulf Cove lock. Mr. Killion explained that the MSBU has long contributed a small sum to the lock maintenance, but none has been spent yet this year. He noted it is good to see spending on pipe lining and Menzi Muck work.

Citizen Input on MSBU Items (3 Minute Limit):

- Mr. Kalaf said the Menzi Muck cleared the ditch behind his house with unnecessary severity,cutting beneficial vegetation and leaving it to choke the ditch. He suggested the County adapt its methods, its operator training, or its equipment to keep drainage conveyances clear with less destruction. Perhaps a citizen-led adopt-a-ditch program? Mr. Kalaf has had unsatisfactory responses from the county's flood plain manager, its maintenance manager, and the water quality manager. Mr. Killion told Mr. Kalaf that the MSBU advisory board has no remedies beyond talking to those same officials.

Advisory Board Open Discussion:
The Board discussed the citizen's concerns with the Menzi Muck. Mr. House said a contractor for the Rotonda West HOA uses a different machine to cut vegetation and convey it out of the canal.

Schedule Meetings / Items for Next Agenda:
Future meetings are scheduled for 9:30 a.m. at the Mac V. Horton West County Annex as follows:

- Wednesday, October 2, 2024

The meeting adjourned at 11:00 a.m.
